Pro Bono Consulting

DayBlink Consulting proudly highlights its collaboration with Catchafire, a platform connecting professionals with nonprofits in need of professional skills. This year, DayBlink Consulting demonstrated our commitment to social responsibility by leveraging Catchafire to donate pro-bono consulting services to more than 15 organizations. These initiatives spanned diverse sectors including education, healthcare, and environmental sustainability. DayBlink actively seeks opportunities to provide pro bono work.

OUR SUPPORT

DayBlink's team of dedicated consultants utilized their expertise to address critical challenges faced by nonprofits and contribute to positive social change. This strategic partnership with Catchafire exemplifies DayBlink Consulting's dedication to making a meaningful difference in communities and showcases our belief in the power of using professional skills for the greater good.

A FEW OF OUR CLIENTS:

Volunteer Work

DayBlink Consulting is committed to making an impact in our world and our community - and so is our staff. We encourage employees to use allotted volunteer time off (VTO) to serve the organizations they are passionate about and many of our employees have organized company-wide volunteer opportunities.

HARBOR DAY OCT 2023

Staff stepped away from their computers to spend a day connecting with each other and the community by serving three local organizations.

HUMANE RESCUE ALLIANCE

Our pet-loving staff packaged dog and cat food to be distributed to DC area pet owners through a free program intended to reduce the financial burden associated with pet care.

Pet Rescue Alliance also offers veterinary care, disaster rescue, and adoption service.

SHEPHERD'S TABLE

Volunteers helped provide hot, nutritious meals to those in need by preparing food, serving meals, and washing dishes.

Shepherd's Table aims to improve quality of life and create a pathway toward self sufficiency for vulnerable community members through meals, case management, and other resources.

SECOND STORY

Volunteers got their hands dirty doing raking, weeding, and cleaning at a local shelter for young mothers in need of support.

Second Story provides residential housing, counseling, and community-based programming for teens and young mothers in need of support.

Charity Drives

TOY DRIVE

DayBlink Consulting employees demonstrated their generous spirit during by donating hundreds of dollars worth of toys to Hope for Henry. Hope for Henry is reinventing how hospitals care for ill children and their families through innovative programs that entertain, reduce stress, and empower children to be active participants in their own care.

SCHOOL SUPPLY DRIVE

Partnering with Northern Virginia Family Services, the DayBlink Consulting team donated school supplies to low income families. Approximately 11 million children in the US live in poverty. Participating in School Supply Drives helps provide low-income children with materials needed to enhance their learning.

CHARITABLE MATCH PROGRAM

DayBlink Consulting continues to foster a culture of generosity and community engagement through its Charitable Match Program. Through this initiative, the company demonstrates its commitment to philanthropy by matching the first \$500 that each employee donates annually to charitable causes. In the past year alone, DayBlink employees contributed significantly, and the company, true to its pledge, matched a total of \$5,152 in donations. This means that a remarkable \$10,304 was collectively donated through the Charitable Match Program.

Fundraising Activities

JDRF ONE WALK

The JDRF One Walk is an annual fundraising event organized by the Juvenile Diabetes Research Foundation (JDRF) to support research efforts aimed at finding a cure for type 1 diabetes (T1D) and improving the lives of those affected by the disease. The event brings together individuals, families, and communities to raise awareness and funds for critical research initiatives in the fight against T1D. This year, the DayBlink team raised \$1,200 toward the JDRF mission.

Donated

SEPTEMBER

During the month of September, DayBlink challenges its employees to take their fitness to the next level! Each day, employees mark the number of steps they recorded on your phone or fitness tracker, and for every 1600 steps taken, DayBlink donated \$1. This year, DayBlink had 100% firm participation.

\$1,400

Donated

GYM RATS

Gym Rats is a month-long fitness challenge, held in March of 2023, designed to motivate participants to spend time exercising each weekday. For every day you miss, you are encouraged to donate to a charity of your choice. This March, DayBlink employees donated a total of \$1,400.
